My dear Mrs. Leonard:

Thank you for your most recent letter, saying you would be able to accommodate the Bordentown Band with dinner on our Opening Day, which is May 5th, but since talking to Mr. Downer I have had to change my plans and I am not using the Bordentown Band. I am using another Band, which I do not have to make arrangements for feeding.

Trusting that sometime in the future I may be able to have you accommodate us.

Yours very truly,
